

IT'S A BIRD . . . Denny Hester (22) and Sterling Brown go after a rebound and make the tip-in to give the locals two points in their clash with Hawthorne, Friday evening. Torrance won, 48 to 37. Hawthorne's Bill Haskell (54) looks hopelessly outjumped. Brown and Hester each tallied 10 points.

Samohi, Apaches Knock CIF Foes

Two Bay League powers showed the rest of the area that "our" kind of football is as tough as the others last week-end, as they knocked off foes to remain in the CIF playoff race.

Centennial whipped up a storm out Montebello way to clobber the Foothill League muggs, 21 to 9 before 6500 fans.

Apache fullback Fred McCrumby pushed over for two touchdowns, both of which were set up after the Bay League champs recovered Montebello fumbles. McCrumby blasted over from the 5 for a score in the first period, and for 6 in the last.

Dick Andrews tallied the other touchdown from the lone in the third quarter.

Montebello lost the ball on fumbles five times. They scored in the third period on a 77-yard pass play.

And out Santa Monica way, the rains came and so did the Vikings as they outplayed, but barely outscored a potent San Diego squad, 14 to 13 to remain in the running.

Score Early

Samohi started out with a bang by going 63 yards after taking the kickoff, and Bill Howard zipped around left end to tally. He also ran the conversion.

With this under the belts, they settled back for a while, at least until San Diego recovered a SM fumble on the mid-field stripe. Several plays later, after crushing to the 3, the invaders tallied. A fumble on the point after touchdown try muffed a score, and lost for them the game.

Lee Grosscup, the passing wizard of the Bay League, and the only unanimous choice to the All-Bay League squad, tossed

\$661 Taken as Thief Makes Entry by Roof

A burglar who drilled a hole through the roof took \$671 in cash and \$90 in merchandise from the City Candy and Tobacco Co., 1831 Pacific Coast Hwy., Lomita, Thursday, Guy Ingram told sheriff's deputies.

The firm was ransacked, and liquor and shavers also taken. The burglar apparently knocked a hole through the room to gain entrance, he said.

LUMBER MILLS

According to government estimates there are more than 50,000 lumber mills in the United States currently engaged in regular production.

ECC Seeks Fool-Proof Defense

First it was all the excitement, then it was the rain. So today, unless the weatherman sees it otherwise, Coach Norm Verry hopes to put his Caminomen through a series of defensive tactics that will stop up the holes come the Junior Rose Bowl clash next Saturday.

The Warriors will be going against the most powerful ground-gaining crew in the nation, Hinds Junior College, who has piled up a massive total of over 3000 yards picked up on the ground.

And Verry, who boasts having top defensive clubs all during his stay at the local academy, is in a quandary.

"I've talked, wired, and written to everyone I know in the south, trying to get an inside line on 'this Eagle eleven,'" Verry said. "And I've come up with nothing."

Try Them All

The big mentor said he'd have an array of defensive situations on tap, from an eleven-man line, down to a waterboy and 10 line-backers.

What Coach Verry faces is harnessing a squad that hasn't been house-broken, they haven't lost a fray in four years under the able guidance of former All-American Joe Renfro. The visitors will be the second squad deep South to represent the fair. The only other crew was from Little Rock, Ark., in 1949.

If the Warriors play true to form, their passing attack should be in sharp contrast to the all-running tactics of the opponents. Hinds has gone to the air only

35 times throughout the entire season—nine games—and clicked with nine.

The locals have thrown as much in a single afternoon's activity, and completed far more. QB Joe Contestable has a mighty enviable record of pass completions.

Another Renfro

Heavy ground gainer for the Invaders is none other than the coach's brother, Olin Renfro, who fore off 87 yards each time he got the seed this season, and they handed off his

way 115 times. That's an impressive total in anyone's part of the nation.

Close behind is fullback Minor Hines, with a 675 net yards to his credit. He packs a 6.4 per try average.

So if the rains let up, and so do the well wishers who crawled all over the El Camino field last week, the Warriors will get down to brass tacks working out a leakproof defense for the visitors from the oje South.

Cagers In First Win

Take Early Lead In Initial Win

Torrance's Tartar cagers bounced into the winners circle as they outpointed a Hawthorne five to win 48 to 37 in a practice game here, Friday afternoon.

After dropping their season opener to Serra High earlier in the week, the varsity boardmen snapped into a well working club, talking the lead from the start, and holding it down to the wire.

Barrett Lee and a guy named Brown who's first name implies the brand of ball he plays, it's Sterling, were all over the boards, both stalwarts on defense at the guard positions.

Jim Lawrence, brown and Denny Hester took local honors for high point getters, each netting 10 apiece for the Tartars. Don Costanza, however, clicked for 12 points to win the high point title for the night—and for his Hawthorne team.

Coach Pleased

Coach George Stanich said he was pleased with the showing made Friday night, and said that he definitely felt his club had improved a lot in the few days since their Serra game.

"The boys started to get the feel of playing together, and that is it in basketball," Stanich said.

The game Friday was a rough brand of ball, with big Bob Boss Tom Vanderpool and Jim Lawrence no kids on the courts. All are the timber men of the crew, and aren't lacking in brawn, either.

Hawthorne dropped its first

Tartars Entered In Third Shores Casaba Tourney

Torrance's varsity cagers will meet the El Segundo High School five in the first showdown game of the Pacific Shores Basketball tournament this week, at Mira Costa High.

Centennial, Beverly Hills, Loyola and Redondo have been topped in the third annual tourney, to be played both at Mira Costa and Redondo. Sixteen teams are entered in the invitational tournament.

Play opens at Mira Costa, with finals slated for the Seahawk gym.

Should the Tartars turn away El Segundo, they will meet the winners of the Mira Costa-Centennial clash. If they are defeated, they'll take on the loser of that same contest, Thursday.

The Apaches, rated high on the list, will be playing without Fred McCrumby, who still is working with the Centennial gridlers in the CIF playoffs.

Torrance and El Segundo will meet Wednesday at 7 o'clock.

Jayvees Clobber Hawthorne Five In Prep Session

A resounding win by the Tartar junior varsity melonmen sparked them back to life Friday, as they dumped the Hawthorne Jayvees 59 to 29 on the local court.

Rich Ruffell, a hustling center for the Apaches, sparked his way around the court and dropped in 20 points to win the high point honors hands down.

The contest was in the locals' favor throughout the afternoon, with Torrance holding a 20-point scoring margin at half-time.

Bees, Cees in Casaba Wins

Torrance's Bee and Cee cagers both popped out, wins this week, complete with TV and radio personalities, bands, and hundreds of horseless carriages to carry out the theme.

"The Good Old Smogless Days" will be the topic carried out throughout the morning, in the snake-like procession which will start at 9:45. It is the largest fete undertaken by the Pasadena Jayvees, who sponsor the Little Rose Bowl classic.

El Camino and Hinds College will go to it tooth and nail starting at 1:30, after the parade has been disbanded.

Gordon Cops League High Score Honors

Carl Gordon, the rampaging Bakersfield back who romped to a pair of touchdowns against El Camino two weeks ago, won the Metropolitan Conference scoring title, final figures released today, reveal.

Gordon blasted over for 12 touchdowns, three more than Joe Barrington, who was second. Roger Metoyer, El Camino College, was top local man with four touchdowns, or 24 points.

Here's the individual scoring:

A referee's whistle moments later called for a jump, as both locals and foes jumped for it. Hawthorne basketball men are Don Costanza and Larry Hobisen (66). The locals won, 48 to 37.

Parade Planned Moon, Ex-Tartar, Sparks EC Cagers to 3-Point Victory

Bob Moon, former Torrance High School cage great, sparked the El Camino Warriors to a close 51 to 48 shave past the Glendale City collegemen in the local gym, Friday night.

Moon sank 16 points to grab the night's honors.

Sharpshooting from the free throw line, plus Moon's efforts, netted the locals their first victory, the win over Glendale. They previously lost to a strong Pasadena CC quintet.
